"Brokers of good quality new and second hand narrow boats."

REF: 10552

Boat Name: Brummie Jem

Brummie Jem is a 65 foot 6 inch tug style narrow boat with graceful lines built by Graham Reeves in 2003. She is powered by a delightful Gardner 2L2 with PRM 500 gearbox. Engine room doors are fitted to each side of the cabin which allow all passers-by to appreciate the engine. There is also the benefit of a 10kVA generator on the engine. Brummie Jem was fitted out by the current owners but requires the next owner to finish it off which will allow them to put their own stamp on this much-admired boat. Layout from the rear comprises of a compact boatmans cabin with brand new Epping range. Forward of this is the engine room which houses the engine, batteries and all the electrical systems. Following this is the double bedroom with lots of storage under the bed. Next comes the bathroom with Thetford C200 cassette toilet, wash basin and bath with shower over. Following this is the galley with induction hob, electric oven//microwave and granite worktops. At the front of the cabin is the open plan saloon. The Morso Squirrel stove has a back boiler which heats the radiators and calorifier by means of a pumped system. Boat Safety Certificate to October 2026. Although this boat requires completing, the work and systems that are already fitted are to a very high standard and of high quality. If you are looking for a narrow boat with a traditional engine which is a real head-turner, then this is the boat for you! Recent survey available.

£49,950.00.

BOAT SPECIFICATION

Hull manufactured by:	Reeves.
Fitted out by:	Owner.
Outstanding finance/mortgage:	None.
Type of stern:	Traditional.
Year built:	2003.
Length:	65ft 6in.
Width:	6ft 10in.
Draft:	2ft.
Construction Specification:	10/6/4mm.
Base plate:	Flat.

ENGINE SPECIFICATION

Engine make:	Gardner 2L2.
Number of cylinders:	2.
Cooling type:	Water via skin cooling tank.
Gearbox make:	PRM500.
Engine room insulated:	Yes.
Number of Alternators:	2 + 240v 10kVA generator.
Bowthruster:	Yes.
Diesel tank:	200 litres.

VESSEL HISTORY

Boat Safety Certificate expiry date:	11/10/2026.
Last full repaint date:	At build.
Last hull blacking date:	August 2020.
Number of anodes:	4.
Date anodes were last replaced:	August 2020.
Survey:	August 2020.

ELECTRICAL SYSTEMS

12v lighting:	Yes.
240v lighting:	No.

240v sockets:	Yes.
240v land line:	Yes.
Inverter:	Mastervolt Ultra 12/3000/150.
Generator:	On engine.
Batteries:	2 x bow thruster. 6 x 95amp/hr domestic. 2 x starter.

CENTRAL HEATING AND HOT WATER

Central heating system:	No.
Solid fuel stove:	Morso Squirrel stove with back boiler.
Water heating system:	Stove.
Calorifier:	Yes 95 litre.
Fresh water tank:	Stainless steel.
Water tank capacity:	1000 litres.

ACCOMODATION

Fixed berths:	Double bed.
Additional berths:	None.
Total number of berths:	2.
Dinette fitted:	No.

INTERIOR MATERIALS

Insulation:	Industrial lagging.
