*"Brokers of good quality new and second hand narrow boats."*

REF: 10542

Boat Name: Sapphire

Sapphire is a 50 foot all steel cruiser stern narrow boat built by Evesham Boats in 1987. She is powered by a BMC 1.5 marinised diesel engine located under the spacious rear deck. From entering through the front doors is the saloon with bench seating and a table which can convert into a double berth. A solid fuel stove is installed to heat the boat. Next you enter the galley with stainless steel sink/ drainer, four burner hob, grill and oven and an under-counter fridge. Following on from this is a cross bathroom with shower unit on one side and separate WC with Manfield Traveller pump out toilet on the other. The fixed double bedroom follows with storage under and shelving and a cupboard to the foot of the bed. The rear cabin comprises of two bunk beds and a full height wardrobe with a door leading out on to the rear deck. An Alde gas boiler provides heating throughout the boat. Current Boat Safety until May 2027.
