"Brokers of good quality new and second hand narrow boats."

REF: 10541

Boat Name: Teiwaz

Teiwaz is an attractive 60 foot tug style narrow boat built by Evans and Sons in 2000. She is powered by an air-cooled Lister HA3 with a Lister Blackstone gearbox. Layout from the rear comprises of insulated and lined but unfitted traditional boatmans cabin. Next is the engine room housing the Lister engine with side doors that open on each side of the cabin. Forward of this is the open plan double bedroom with full sized shower cubicle. Following this is a seperate WC with Dometic/Sealand Vacuflush ceramic toilet with remote cassette. The galley follows with Belfast sink and Kenwood 5 ring gas range with double oven. At the front of the cabin is the saloon with Morso squirrel solid fuel stove and back boiler. Doors open out on to the tug deck. A current Boat Safety Certificate is in place until June 2027 and she was last docked and blacked in April 2022. Teiwaz is ready for her next owner to finish her off and put their own stamp on her!
